

Thank you for your interest in becoming a member(s) of Shiretown Gaming LLC. By signing up for a membership you are agreeing to the following conditions:

1. Keep Things Family Friendly – We want our shop to be family friendly and because of this we ask that all individuals joining us for fun refrain from swearing/foul language and unsportsmanlike gameplay. On occasion we will have special events for adults only, and we will ask that no one under the age of 21 will be allowed to participate in those events as we will allow swearing/foul language during those events.
2. When borrowing games/decks/mini's/etc... you, as the borrower, will personally return them in the same condition that they were given to you. You will be responsible for any damages to the product while you are borrowing it.
3. Only eat/drink in approved areas! We want to protect everyone's property, and to do that we ask that you eat and drink in designated areas. This keeps the play zones clean and safe for activities.
4. Keep your germs to yourself. Do not touch other people's items without their permission. Do not pick up the drinks or snacks if you do not intend to purchase them. **DO NOT COME IN IF YOU ARE SICK!** We want you to have fun, but COVID-19 made us all realize how much of a difference it can make in the health of the community by containing the germs.
